FOR IMMEDIATE RELEASE

eSCHOOL SOLUTIONS CELEBRATES 20TH ANNIVERSARY

Orlando, Fla. – eSchool Solutions – the leading provider of preK-12 administrative software and technology solutions – recently celebrated its 20th anniversary.

After first introducing its original substitute management automation software (SEMS) in 1987, eSchool Solutions has since developed a number of technology-based products and services to improve preK-12 administrative efficiency.

Today, eSchool Solutions is a total solutions provider and offers SmartFind*Express* – the most comprehensive substitute management software on the market; Electronic Registrar Online, professional development management software; and eSS Data Link, an interface that connects HR with payroll systems. In addition, eSchool Solutions recently created the Professional Services Organization, which provides strategic consulting services.

Over the last two decades, eSchool Solutions has built a client base of more than 650 school districts, including 18 of the top 25 largest districts in North America.

eSchool Solutions (www.eschoolsolutions.com) is the leading provider of integrated technology solutions for the preK-12 education market. The company serves more than 650 school systems encompassing 29,000 schools in North America, providing innovative educational management software and consulting solutions.
