FOR IMMEDIATE RELEASE

eSchool Solutions Receives Trademark "SmartFind*Solutions*"

Orlando, Fla. – The United States Patent & Trademark Office recently granted eSchool Solutions – the leading provider of preK-12 administrative software and technology solutions – trademark rights for the phrase "SmartFind*Solutions*."

SmartFind*Solutions* is the name of a line of consulting services offered by eSchool Solutions. The service provides a higher level of support – including one-on-one assistance and regional direct response teams – to K-12 school districts that use SmartFind*Express* to automate substitute management. Equipping districts to improve fill rates and place highly qualified substitutes, SmartFind*Express* is the most comprehensive substitute management solution available today. It is used by more than 600 school districts in North America – including New York City, Los Angeles and Toronto.

eSchool Solutions (www.eschoolsolutions.com) is the leading provider of integrated technology solutions for the preK-12 education market. The company serves more than 600 school systems encompassing 29,000 schools in North America, providing innovative educational management software and consulting solutions.
