FOR IMMEDIATE RELEASE

### **ORLANDO-BASED COMPANY SIGNS 10 NEW CLIENTS IN THREE MONTHS**

Orlando, Fla. – Ten school districts across North America recently signed contracts with eSchool Solutions – the leading provider of preK-12 administrative software and technology solutions.

Seven districts purchased *SmartFindExpress*, a comprehensive software solution that automates the substitute management process. These districts include Pine Grove School District in Pennsylvania; The Classical Academy in Colorado; Sahuarita United School District 30 in Arizona; Farmington Municipal Schools in New Mexico; Massac Unit District #1 in Illinois; and Durham Catholic District School Board and Grand Nord, both in Ontario.

The Bermuda Ministry of Education purchased the entire suite of eSchool Solutions software products – including eSS Data Link, *SmartFindExpress* and Electronic Registrar Online – to streamline the operations of its 1,200-employee district.

Additionally, Caldwell County Schools in North Carolina purchased Electronic Registrar Online – eSchool Solutions’ professional development software, and York Catholic in Ontario purchased eSchool Solutions’ Shared Direct Response Team – a consulting service designed to help districts optimize *SmartFindExpress* and strengthen overall substitute management performance.

---

*eSchool Solutions (www.eschoolsolutions.com) is the leading provider of integrated technology solutions for the preK-12 education market. The company serves more than 600 school systems encompassing 29,000 schools in North America, providing innovative educational management software and consulting solutions.*
